A Monthly Insight Into Our Syracuse City Community

MAYOR'S MESSAGE

I hope that you had a wonderful Thanksgiving. It is a good time of year to give thanks for the creation of this country, for our Constitution and for the freedoms that it guarantees to us from our Creator.

Let's take a look at where we are on the construction of 2000 West and Hwy SR-193. The west extension of Hwy SR-193 should be open before the end of the year. Soon we should be moved over to the west side of 2000 West from Heritage Ln to 300 North. Construction on the east side will continue through the end of the year.

Construction on the West Davis Corridor is planned to begin in the spring of 2020. In addition to the corridor, UDOT is looking at widening Antelope Drive from 2000 West to 3000 West to simplify the traffic coming from and going onto the new freeway. Also, they will look at continuing the extension of Highway 193 from 3000 West to the West Davis Corridor which would lighten the traffic on 2000 West and 3000 West. Also of interest, we have received a grant that will be used to construct 500 West, a new road that will be between Antelope Drive and 2700 South. This is the border we share with Clearfield. It will be a joint project and construction should begin in 2019 or 2020.

We have a new fire chief as of the end of November. Aaron Byington is a citizen of Syracuse and has been a Battalion Chief in Layton for the last several years. Let's give him our support as we begin new leadership in that department.

~Mayor Terry Palmer

POLICE DEPARTMENT

The holiday season is quickly approaching, and Syracuse Police would like to remind citizens of safety tips to remember while you are preparing for the holidays.

If you order packages to be left on your front porch, please make necessary arrangements to have a neighbor pick up the packages for you if you will not be home.

Do not leave valuables in your vehicle and make sure you keep your vehicles locked.

Make sure your garage doors are closed at night and keep your doors locked.

Be aware of email/telephone scams of people trying to acquire money from you; do not share your personal information. If it seems too good to be true, it probably is.

Only purchase items online from a trusted website to reduce the potential that your personal information may be compromised.

These are just a few simple things you can do to help prevent being a victim of a crime. If you find yourself a victim, please call Syracuse Police at 801-825-4400 to report the crime.

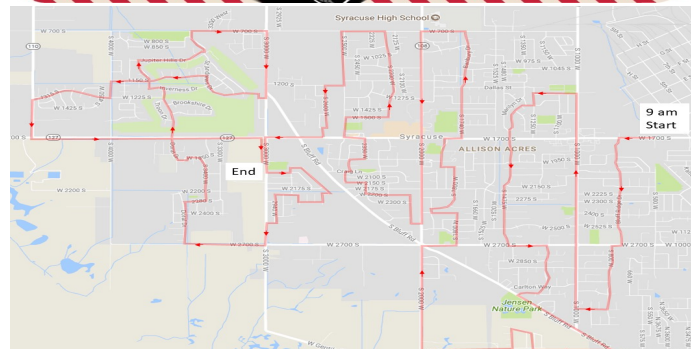

Syracuse Police Department wishes the community a safe and happy holiday season.

FIRE DEPARTMENT

Don't miss the next free Syracuse Symphony Orchestra concert on December 4th! These performances just keep getting better and better, and this one will be no exception as it includes even more local talent that is sure to delight and start the holiday celebrations off right for the whole family. Come enjoy a musical journey through the 12 days of Christmas with the Orchestra and choir as well as an amazing opportunity to hear our next guest artist and long-time member of the Orchestra at Temple Square and principle flautist, Jeannine Goeckeritz. After the show, audience members may also meet and/or purchase her newly released CD for her to autograph. The performance begins at 7pm in the Syracuse High School auditorium.

One more thanks to all those who generously supported our Fall Breakfast and Candy Walk, since our last article missed so many who stepped up and helped last minute: Chelle's Floral, Mike Samson Repairs, RANT (Rescue Animals Needing Transportation), Pitched Perfectly Studios, Syracuse Walmart, Iceberg, Sherri Boone-Dawson with Northern Realty, Karol Johnson and Stacy Mucha with Castle & Cooke Mortgage, Pizza Pie Café, and The Bird as well as Libby Fawcett, Taleen Erickson, Jason Steed, Kaylene Spraker, Shawn and Jenny Barrett, the Syracuse City Youth Council and the Syracuse Community Center. We had a great turnout of children, both young and old. We even had one little girl who wanted nothing more than to trick-or-treat with her grandmother in honor of her 90th birthday.

We are excited to announce our 2018 Summer Musical - Hairspray!

Auditions will be April 14th with performances July 12th -16th. We are currently accepting letters of interest for our production team.

The northern point of the new trail connects to the adjacent SR-193 trail at 1550 W and the southernmost point ends at 700 S. At the southern point, there is a new trailhead that includes parking and some exercise equipment. The City used park impact fees from the Monterey Estates Subdivision to construct the trail.
